Formatting Guideline

Font Style & Size

- Title Slide: Font: Calibri (Bold) - Size: 36-44
- Headings: Font: Calibri (Bold)- Size: 28-32
- Body Text: Font: Calibri or Arial (Regular) -Size: 20-24

Other suggestions:

- Avoid excessive text; use bullet points.
- Ensure text is legible from a distance.
- Use relevant figures, charts, or tables from the research or paper.
- Ensure all visuals are clear, high-quality, and properly labeled.
- Avoid blurry or pixelated images.
- Use visuals to support your message, not overwhelm it.
- Maintain consistent font styles, colors, and alignment throughout.
- Avoid clutter; focus on one key idea per slide.

- Avoid flashy animations or distracting transitions.

Presentation Tips

- Speak clearly and confidently.
- Summarise key points; do not read directly from slides.
- Keep the presentation within 10 minutes.
- Practice to ensure you stay on time.
- Maintain eye contact with the audience.
- Use slides as a visual aid, not a script.
