ACKNOWLEDGEMENT

It is a great pleasure for us to acknowledge the assistance and support of many individuals who have been responsible for the successful completion of this project.

First, we take this opportunity to express our sincere gratitude to the School of Computer Science and Engineering, RV University, for providing us with a great opportunity to pursue our bachelor's degree in this institution.

A special thanks to our Dean - **Dr.Shobha G**, for her continuous support and providing the necessary facilities with guidance to carry out mini project work.

We would like to thank our guide, Prof, (**write your course instructor name**) **Assistant Professor**, School of Computer Science and Engineering, RV University, for sparing his/her valuable time to extend help in every step of our project work, which paved the way for smooth progress and fruitful culmination of the project.

We are also grateful to our family and friends who provided us with every requirement throughout the course.

We would like to thank one and all who directly or indirectly helped us in the Project work.
